BUSHTON and CLYFFE PYPARD WOMEN'S INSTITUTE

For many of us in Bushton and Clyffe Pypard, October has been an extremely active month in the WI. As well as our usual monthly meeting, we have enjoyed a whist and skittles supper, a book-binding workshop (with gratifyingly attractive results), learnt about Canada, been transported to war-time Austria in The Sound of Music by SALOS in Swindon, cooked, served and eaten a very Big Breakfast and as I write, still have a Wiltshire Federation of WIs annual meeting to attend in Salisbury at which Dame Stella Rimington DCB is the main guest

speaker.

PHEW! I'm looking forward to a rest at Christmas! But before that, anyone thinking of joining us will be very welcome at any of our meetings, the next being a session with a jewellery maker – Vine Designs - on Thursday 21st November. We begin with business at 7.15pm in the Village Hall in Bushton and end with refreshments and a free taster evening is offered.

Our December meeting is earlier in the month – on the 12th December this year – don't let the thought of an election that day put you off! In fact, if it does happen, come a few minutes early to vote! We will have an informal evening of Christmassy food and drink, some seasonal origami (completely optional) and no doubt lots of chat. Then it's all quiet until our New Year Dinner on Saturday 11th January 2020!

For any further details, please contact Sally Fox sally_fox@btinternet.com or 01249 891442. Thank to those who came to enjoy a Big Breakfast in October and we're sorry if the timing meant you missed it. I said October was busy!

Bushton Bookworms

The Country Girls by Edna O'Brien although set in Ireland, led to a discussion around personal experiences of life in English and Welsh Primary Schools including convent education. The book had been read by several group members when they were a lot younger and strangely, not all of the story was remembered. Some of us will probably go on to read the other 2 volumes of the trilogy.

Here are the choices for the next 2 months:

- 19th November: The Girl Before You by Nicola Raynor
- 11th December: The Salt Path by Raynor Winn

All these light hearted discussions will take place at 3:30pm in various venues - anyone is welcome to join us - Barbara Davis 0796223 6678 or rjbjdavis@btinternet.com

Everyone Welcome

Calligraphy in Clyffe

We would be very pleased to welcome anyone else who is interested in learning or developing a new skill. Beginners are welcome.

We usually meet twice each month on the 2nd and 4th Thursday mornings 10.00 to 12.00 in the Village Hall. (November 14th and 28th 10.00 - 12.00)

Each member just pays their share of the hire of the hall and towards the general running costs. If you are interested in joining this group or would like more information or to come for a "taster" session, please get in touch with Jan (01249 890726 / jan_hargrave@yahoo.co.uk)

Royal Wootton Bassett - SPECIAL OFFER WEDNESDAY MARKET

Have you considered trading on the market or promoting your local business or are you an entrepreneur, who wishes to start a business? To ensure a vibrant and bustling market with a great retail offering for locals and visitors to Royal Wootton Bassett, we are continually looking for new traders.

We are currently waiving the fee for a pitch for one year.

We would like to see stalls selling cosmetics, bed linen; jewellery, footwear and clothing and more, come and join us each week. If interested please call Royal Wootton Bassett Town Council on 01793 850222 for more information.

Our Weekly Market is held on Wednesdays throughout the year, around the Town Hall in the High Street between 8.30am to 4.00pm

Fun and fireworks at MOD Lyneham's annual Bonfire Night

MOD Lyneham is again hosting its annual Bonfire Night and funfair on Tuesday 5th November.

As well as the traditional spectacular bonfire and fireworks display there will be fairground rides, food and refreshment stalls and music provided by The Scarrets.

Entrance to the event will be through MOD Lyneham's C Gate, on Calne Road near Goatacre. Entry is £4 for adults and £2 for children aged from three.

Gates open at 17.30 and the bonfire will be lit at 18.45, followed by the start of the fireworks display at 19.00. The event closes at 21.30.

Other Displays in the Area: Fireworks at the Crown Broad Hinton Nov 3rd 7.15pm

Have a mind this month that though Fireworks are good fun to watch, livestock and our 4-legged friends are rarely as keen.

Animal Welfare Act 2006: It is an offence under the Animal Welfare Act to cause any unnecessary suffering to any captive or domestic animal. Fireworks must not be set off near livestock or horses in fields, or close to buildings that house livestock. The offence carries a fine of up to £20,000 and/or a prison term of up to six months. The act is enforced by local councils, animal health officers and the police.

Bushton Village Hall News

Well, at long last the redecoration of the "Committee Room" is finished and we are now able to use it as a room with folding doors to separate it from the main hall. It will be a multi-purpose space enabling small meetings/ gatherings/coffee mornings/meals etc to take place. Sincere thanks must go to Anita, Jill, Roy, Dorothy and Paul who with myself persevered to get it all finished in time for Harvest Supper and Big Breakfast. It looks good but it needs a name!! Bistro, Chook House, Chicken Shed have been mentioned but we thought it would be a great idea to get residents to choose the name by voting for their favourite at the AGM on 13th November.

There will be a bottle of bubbly as a prize for the winning name. Many people have seen the room – it has a sort of "farmyard chicken" feel about it. If you have an idea, then please send it in to me rjbjdavis@btinternet.com, by the day before the AGM, or come to the meeting when you can see the new room and make your suggestion then, and of course vote.

To book the new room go to www.clyffepypard-bushton.com/village-hall/bookings-enquiries/
The Committee look forward to hearing your ideas! It may be necessary to short list nominations, in which case the Chairman's decision is final. The 101 Club for November and December will take place at the next committee meeting. Barbara Davis 07962 236678 or rjbjdavis@btinternet.com

THE BIG QUIZ

Saturday 23rd November starting 7:30pm, £5 per person

This is back again with Mike Morison setting a variety of questions as ever some easier than others but the plan is for everyone to have an enjoyable community evening with quite a bit of fun and laughter as well as using a bit of brain power!

We don't issue tickets but rely upon folk who say they are coming to turn up! As a light supper will be provided then we do need to know numbers. If you are not able to find a team of 6 then we can easily place individuals together to form a team - just let me know that you are coming - leave a message on my phone or email with your name, number of people and a contact number. Thank you

Barbara Davis 0796 223 6678, rjbjdavis@btinternet.com

PARISH COUNCIL NEWS

The next PC meeting is November 12th and is going to start at 7pm not 7:30pm, as in previous meetings. REPRESENTATIVES OF WILTSHIRE COUNCIL ARE COMING TO DISCUSS HOUSING IN THE PARISH AND EVERYONE IS INVITED TO HEAR THEIR IDEAS.

Do you have a project that requires funding and that will be of benefit to the community then apply to the Parish Clerk for a grant? This year we are particularly looking for ideas/projects that could help reduce the communities carbon emissions. Applications must be in by email or writing by 5th November.

THE GODDARD PUB

Following the last community meeting where we shared an update with you all, we've turned our focus away from fund raising and turned it to business planning. We've been busy looking forward and gathering insight into how we could potentially run the pub if we were successful.

With memorandum deadline fast approaching (13th November), expect to hear from us again very soon when we hope to be in a position to share our business plans and more detail on the opportunity.

If you wish to join us or want more information please contact The Parish Clerk at -

THE NEIGHBOURHOOD PLAN - UPDATE

This month the Neighbourhood Plan Steering Group has been spending its time preparing for the two drop-in sessions and then considering and analysing the information and feedback that was collected. Thank you to all of those of you who came along. The members of the Steering Group all thoroughly enjoyed the opportunity to meet up and speak to those attending and to hear their views on the future of our Parish, and on many other issues.

The drop-in sessions were an opportunity to get the conversation going about the Neighbourhood Plan. The next steps will be to take the views and feedback received and incorporate the emerging themes into the more formal questionnaire that will be circulated in the coming months. There is still plenty of time to have your say as part of the consultation process.

One thing that did emerge as an early concern was that there is clearly an issue around keeping people informed about what's going on. The "Nextdoor" service, a local electronic notice board app for villages and neighbourhoods, may be a quick way to address this. It is already in use in Lyneham, Bradenstoke, Wootton Bassett, and Yatesbury where it seems to work quite well. The Steering Group will use the service as another way to keep in touch by posting any news on the Neighbourhood Plan and anything else from the Parish Council that you might find useful. Anyone else who lives in the Parish can post notices there too. You can download it to your phone from the Apple App Store or the Android Google Play store or, if you don't have a smart phone, sign up on the web here: <https://nextdoor.co.uk/>. Please tell others!

The volunteer members of the Neighbourhood Plan Steering Group are: Alan Glasspool, Chris Rickett, Chris Thompson, Ed Rudler, Guy Rickett, Marian Kent, Nick Kirton, Peter Gantlett, Rosemary Greenway and Tony Currivan. You can contact the Neighbourhood Plan Steering Group via the Parish Council – clyffepypardpc@hotmail.com

DEFIBRILLATOR – In any medical emergency First call 999. If appropriate send someone to get the defibrillator from the locked cabinet. The cabinet is on the village hall its code C159X. When you open the defibrillator, it will talk to you and give clear instructions what to do. You do not need to be medically trained to use a defibrillator. If you wish you can go and practise unlocking the cabinet, If you have difficulty opening the cabinet call 07713114342 but do not practise opening the defibrillator as this will flatten the battery.

If you don't know anyone nearby, contact the parish council and we will attempt to set you up with someone you can call in an emergency that lives close to the defibrillator and can collect it for you in an emergency.

There are three things to remember, dial 999 , C159X to unlock cabinet , phone number of someone to collect defibrillator .

On Busyness

In 1715 the poet Isaac Watts wrote a poem 'Against Idleness and Mischief'

How doth the little busy bee
Improve each shining hour,
And gather honey all the day
From every opening flower!
How skilfully she builds her cell!
How neat she spreads the wax!
And labours hard to store it well
With the sweet food she makes.
In works of labour or of skill
I would be busy too:
For Satan finds some mischief still
For idle hands to do.
In books, or work, or healthful play
Let my first years be past,
That I may give for every day
Some good account at last.

One hundred and fifty years later Lewis Carroll parodied this poem in Alice's Adventures in Wonderland's How doth the little crocodile showing that it was already sometimes a subject for laughter as well as edification.

The idea that idleness leads to trouble is still deeply embedded in our culture. Yet when someone begins a request with 'I know you're busy'... I feel a flicker of shame because I think that in today's world busyness is more often part of the problem than a solution. So much that is really important – conversation, friendship, kindness, prayer require not busyness but a willingness to stop, to be fully present in the moment and able to listen, and respond – not with a date in the diary but with a genuine interest in taking in the full reality of now. This might be in the wonder of a child, or in the frailties of age or simply in noticing how much there is to be grateful for and about. It might be in ensuring that there is enough idleness to see the wood for the trees or to notice the silver lining to a cloud. So in this November month when we take two minutes silence to remember, perhaps we should spend more time in creative idleness and less being busy.
