**Animal Welfare Act 2006:** It is an offence under the Animal Welfare Act to cause any unnecessary suffering to any captive or domestic animal. Fireworks must not be set off near livestock or horses in fields, or close to buildings that house livestock. The offence carries a fine of up to £20,000 and/or a prison term of up to six months. ## The Questionnaire is Here!

Parish residents should by now have received a copy of the Neighbourhood Plan Questionnaire. An email was sent to those who registered to complete the Questionnaire online and paper copies were delivered to everyone else over the weekend of 17th & 18th October.

If you have already responded, then thank you for your time and participation. If you haven't yet responded, please do – we really want to hear your views. This is your chance to make your voice heard as we develop the Neighbourhood Plan on things that matter to you, including building new homes in the Parish.

You can find more details about the Neighbourhood Plan and the process to develop it here: <http://www.clyffepyard-bushton.com/> . Please look out for more information on the Neighbourhood Plan in future newsletters, on the parish website and on Nextdoor (<https://nextdoor.co.uk/>).

Don't forget, the closing date for completing the Questionnaire is 16th November.

## What's on in the Community

### BUSHTON and CLYFFE PYPARD WOMEN'S INSTITUTE

As the clocks go back and the nights are longer it feels to me as if this year has so far scooted by! I certainly hope it hasn't dragged for anyone with its limited sociability and its almost one-subject news.

Virtual meetings are becoming the norm, even for the WI, sad to say, but more happily a greater number of members than before were able to join our October meeting. We have planned what we could – an autumnal walk, another book and jigsaw swap, joining Wiltshire Federation events and have kept open minds about possible activities around Christmas and New Year.

Our speaker in October was Susanna Beard, who explained in detail the processes of writing and having published a first novel. She now has two books out and one of them is planned as our Book Club's read for January. She made it very clear that one has to be totally determined to be a published writer, with all the hoops to jump through in finding an agent, making many, many edits, being edited again and finding a publisher then hoping for good interest and sales.

We hope that next month we will be able to learn from our planned speaker about Swindon Men's Sheds and the Night Shelter.

Another bonus of these times is that, although Denman College, the WI's own centre of education, is to close, there are still many online courses available, all well-run and costing little. They include crafts, cookery, history and art talks, virtual walks, exercise and well-being sessions.

And of course we always welcome interest in joining us as a member. Subscriptions are reduced this year and if you would like to find out about the WI locally, email or ring Sally Fox, 01249 891442, [sally\\_fox@btinternet.com](mailto:sally_fox@btinternet.com) or nationally, go to [www.thewi.org.uk](http://www.thewi.org.uk)

### Bushton Bookworms

The Zoom discussion last month was an interesting one with the full range of 'I couldn't get on with it at all and didn't finish reading it' to 'I thought it was brilliant and thoroughly enjoyed it', It isn't the same as meeting face to face but very much better than not meeting at all. If you would like to join in with us please just email me and I will send you the Zoom details on the morning of the discussion. The book was 'Once Upon a River' by Delia Setterfield.

The choices for the next 3 months are:

- November 17th: 'My dear, I wanted to tell you' by Louisa Young
- For December 'The Bee Keeper of Aleppo' by Christy Lefteris
- And for January 'The Truth Waits' by Susanna Beard - Susanna gave an interesting insight to being an author by a Zoom talk to the WI in October

The dates for December and January will be chosen at the meeting of meeting the previous month and will be given out in the appropriate Newsletter.

## Bushton and Clyffe Pypard WI invite you to Books and Jigsaw Swap

Village Hall Car Park, Saturday 14th November 2020  
10:00 until noon (Providing that the weather is suitable)

Have you several jigsaws and books that you have finished with and would you like to let other folks have an opportunity to have them? A suggestion is this: Come to the car park with them – easiest if you keep them in the boot of your car so that people can browse.

Come and browse, select what you would like to take home with you. We suggest giving them 72 hours before you start using them although now some schools of thought are that 3 hours is sufficient!

A slotted box will be provided for a donation – the money will go to Prospect Hospice who are in need of funds due to the lack of fundraising activities during the pandemic.

Don't do jigsaws or need any more books?.....bring a chair and have a chat!

Please park carefully!

#### Village Hall Management Committee

Needless to say we have not been very active since March and at the moment only a Marshall Arts group is using the hall on a regular basis. Although it could be used, a lot of organisations are bound by their own governing body regulations and their Covid advice.

Two of our committee are retiring at the AGM so there will be an opportunity for some new volunteers to join us. We usually have four meetings lasting just over an hour and an AGM each year. The Management Committee manage the day to day running of the Village Hall but the Parish Council are the Trustees. Paul Greenway and Peter Gantlett have decided to retire and they have racked up over 12 years of service between them for which enormous thanks is needed.

I have been looking back at some of the Village Hall archives passed on to me from Marian Kent. They make interesting reading, especially regarding the amount of extremely hard work put in by parishioners when fundraising was needed to complete the hall building. £18,000 or more was raised in a plethora of different ways and was augmented by grants from WCC and NWDC, making the total of £39,000 that was needed for the hall to be built.

The Constitution which reflects the Deed of Trust is also of interest, as back in 1984 there were many more groups using the hall on a regular basis and each one could have a seat on the committee, with 10 other either co-opted or elected members. At the moment the Parish Council, the WI and the Church (PCC) are the regular users.

## **Community News - Footpath Maintenance**

Our thanks are due to Heather and Mike who kindly repaired the handrail at the start of the footpath on Wood Street opposite The Rosiers. The bank there is quite steep and the existing rail was very insecure. They spent a couple of hours one Sunday ramming in new posts and securing them so that you can now access the field with no difficulty even in the wet. The original work was carried out by the Council, but I understand now they only have one person maintaining all of north Wiltshire's footpaths, so I'm sure they are very pleased to have some help.

### November 2020 Introductions and Remembering – Revd. Karen Rizzello

Dear Reader,

Can I begin this newsletter by introducing myself? My name is Reverend Karen Rizzello and I am the new Associate Priest for the Lyneham and Woodhill benefice. I am also lucky enough to be living at the vicarage in Lyneham which gives me a wonderful opportunity to meet you as neighbours.

I served my curacy in the Whitton Benefice, which is in the neighbouring Marlborough Deanery, and I was trained for ministry at Sarum College in Salisbury. Whitton is a rural Benefice with 6 churches including the villages of Aldbourne, Axford, Baydon, Chilton Foliat, Froxfield and Ramsbury.

Although I moved into the Lyneham vicarage at the end of July I haven't been out very much. I have been recovering from some planned surgery to the hip which unfortunately was affected by medical complications from other issues making me vulnerable during the Covid19 epidemic and keeping me out of circulation for a lot longer than expected.

As I am writing this letter in early October I am expecting to have returned to public ministry by mid-October. I will be gradually increasing my hours to my usual part-time commitment of Sunday and two other days each week. In these times of Covid19 it is hard to predict how November will be for all of us. The government is telling us we are entering a second spike and so we can expect that our All Souls and Remembrance services will be different to those of previous years. But be reassured, we will remember and mark these important dates in some way.

I cannot help reflecting on this year and our need for remembrance as individuals and families. We will remember in the context of our war heroes but also for all those we have lost over the past year and in previous years to Covid19 and other illnesses.

For those who have been unable to be with their dying friend or relative this time will be particularly challenging. In lockdown we have all been dealing with the pain of separation and isolation as individuals and as a community.

But take heart. Things will get better; we will get through this time of trial. We will find a vaccination for Covid19. We will come out of lockdown. Spring will follow Winter and the Sun will shine again.

I take comfort from the book of Isaiah; we are assured of God's tender love and faithfulness, 'He will tend his flock like a shepherd; he will gather the lambs in his arms; he will carry them in his bosom, and gently lead those that are with young.' (Is.40v11).

God Bless, Revd. Karen.
